

Request for Grant Award

RFGA:	Family and Consumer Sciences Education Professional Practice Grant Award
ID CODE:	60.420FCS/07
ELIGIBLE ENTITIES:	Missouri public school districts currently operating a Department-approved family and/or career-focused Family and Consumer Sciences Education program for grades 9-12.
GOAL:	To encourage the professional development of Family and Consumer Sciences Education teachers that will improve and expand the instruction of students enrolled in Family and Consumer Sciences Education programs.
APPLICATION GUIDELINES:	<p>The Family and Consumer Sciences Education Grant Award provides funding for supporting the high-quality professional development of teachers in Department-approved career Family and Consumer Sciences Education programs, as defined in Section 2 of the <i>Implementation Handbook for Family and Consumer Sciences, 2002</i>. Funds will be made available either within an individual school building or an entire district. School districts with more than one building may submit only one request, and it may be for an individual building or buildings.</p> <p>Requests for funds to enhance professional practice may be submitted for content in Family and Consumer Sciences Education, FCCLA, or related areas of Career and Technical Education. Requested funds must be used for and in support of the teacher's personal professional development plan. Funds may be used for more than one Family and Consumer Sciences Education teacher and may include, but are not limited to, the following professional development activities:</p> <ol style="list-style-type: none">1) Implementing critical science, practical problem solving into the Family and Consumer Sciences Education core content program areas as defined in Section 2 of the <i>Implementation Handbook for Family and Consumer Sciences, 2002</i>.2) Participating in professional development activities supporting career and technical education requirements for MSIP and CSIP.3) Participating in Family and Consumer Sciences Education professional development focusing on curriculum, instructional practices, and assessments.4) Participating in seminars, workshops, conferences, and continuing education for Family and Consumer Sciences Education professionals sponsored by the Department and/or professional organizations such as the Association for Career and Technical Education, Missouri Association for Career and Technical Education, and the American Association for Family and Consumer Sciences.5) Increasing knowledge about Family Economics and Financial Literacy such as attending the Montana State University course.6) Seeking Pro Start certification. This requires a commitment of three (3) years and assurance of support by the district.7) Increasing knowledge about FCCLA programs and enhancing leadership skills by attending events, conferences, workshops, and/or seminars such as State and National Leadership meetings and the Missouri Legislative Shadowing Project.

Allowable Expenditures: Grant funds may be expended for the costs associated with in-service and professional development activities only for certificated Career Family and Consumer Sciences teachers in both family- and career-focused programs.

- Reimbursement of travel and attendance costs will adhere to local district policies. Allowable expenditures include meals, lodging, travel, and meeting registration fees.
- Purchasing professional development resources for Family and Consumer Sciences Education such as curriculum guides and professional development books.
- Purchasing professional development resources from the FCCLA Publications Catalog (including the FCCLA starter kit, program manuals, and other resources).

Non-allowable Expenditures:

- College tuition.
- Costs associated with certification exam.
- Professional organization dues.
- Training and workshops related to the use of equipment.
- Items from the FCCLA emblematic supplier (membership pins, logo items, etc.).
- Student expenses.

REQUIREMENTS: To be reviewed, the Request for Grant Award (RFGA) must contain the following in the sequence listed. Incomplete RFGAs will be considered non-responsive and will not be reviewed.

Required Information:

1. Completed cover sheet. The form on the website can be typed on and mailed.
2. Completed Form A-Professional Development Activities outlining the teacher's Personal Professional Development Goal(s) to be addressed and the specific activities for which funds will be used; the CSIP and MSIP Standards addressed by each activity; explanation of impact or influence the annual program evaluation had on the professional development plan; the beginning and completion dates of each activity; the implementation and/or follow-up strategies and dates for each activity; and the estimated cost of each activity.
3. An **ITEMIZED BUDGET** with the title of the professional activities and the location (if known) on an "Application for Authorization of Career Education Expenditures," form (FV-4), signed by the chief administrator of the district. Items of \$25 or less are not allowable grant expenditures. Please submit two (2) copies per instructions for the FV-4 form. FV-4 and FV-2 forms are available through the Department's home page at: <http://www.dese.mo.gov/divcareered/forms.htm>.
4. An **ASSURANCES** page listing necessary assurances within this request and signed by the chief administrator of the school district (blank form included with this RFGA).

AMOUNT:

A maximum grant award will not exceed the amount of \$3,000. The Department will reimburse the district 75% of the amount spent. Local education agencies must match the requested grant funds expenditures with at least 25%. For example, if the grant request is approved in the amount of \$3,000, and the district spends \$3,000 the reimbursement to the district will be \$2,250. This does not restrict the district from providing additional professional development funding for the teacher. Funds awarded in this grant will be used to supplement and not supplant local funds for Family and Consumer Sciences Education programs, services, and activities.

DUE DATE: Requests must be received **no later than 4:00 p.m. on April 28, 2006.** Failure by the district to meet this deadline will result in the request not being considered for funding.

DELIVERABLES: Grant recipients must forward the following to the Department on or before the date indicated:

May 15, 2007:

1. A final evaluation report submitted on Final Report Form B.
2. A final reimbursement claim on a "Reimbursement Request Approved Career Education Expenditures" form (FV-2).
